

# COMPULOCKS ERGONOMIC REACH LINE

**“Reach Your Ultimate Comfort”**

Reach Dual Screen  
SKU: 720REACH

## Customizable Positioning

Maximum ergonomic comfort and convenience to avoid eye, neck and back strain

## Enhanced Productivity

Effortlessly raise, swing, tilt or pan the display with enhanced lift and pivot movement for unparalleled range of motion and flexibility for higher productivity

## Maximum durability

Our arms are made from durable polished aluminum ensuring that your device won't drop if arm gets bumped or knocked

## Total Security

Lock down the arm and secure the device with a cable lock for a full security solution

## Space Saver

Raised design frees up work surface; arm/s fold back when not in use, perfect for smaller desks. Conceal and route wires and cables through the arm for clean cable management

## Hassle-free Installation

Base easily clamps on to any surface; click-on mount design so tablet can be easily removed or carried

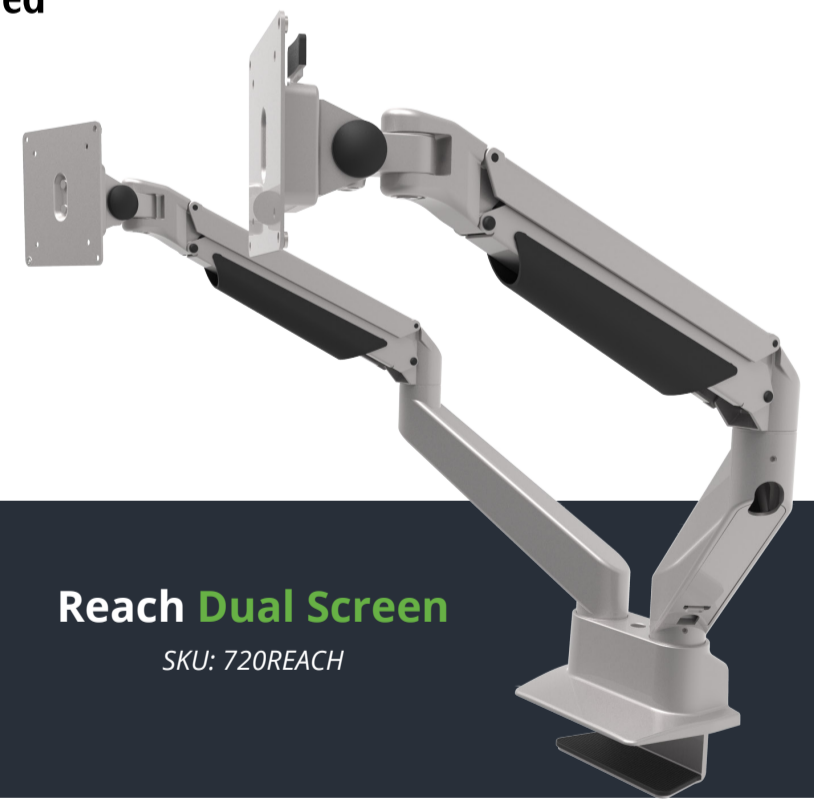

Reach **Single Joint**

SKU: 330REACH

Reach **Double Joint**
